

Reserve for next Summer Now!

To option a villa for next summer, please complete your details below and send it to us with a fully refundable advance registration deposit of £250. Once we have received your deposit, we will hold the villa for the dates you require, subject to the owners own requirements, until our prices are published in the Autumn. We will then write to you to confirm the availability and price of your chosen villa and at that point you will be asked to decide if you wish to proceed with a booking, switch to a different villa or not proceed with a booking and have your advance registration deposit refunded in full. You can, of course, opt to have your advance registration deposit refunded at any time should your plans change for whatever reason.

If your chosen dates clash with the owners, we will offer you a selection of alternative houses that most closely match your original choice, however most owners try to fit in around our bookings or have regular dates that we know of well in advance.
